

ANAHEIM BEAUTIFUL

Making A Difference

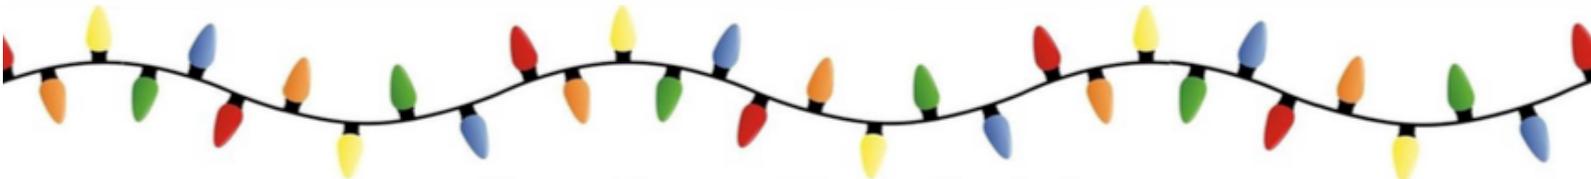

2021 HOLIDAY LIGHTS CONTEST

We are happy to once again partner with Anaheim Public Utilities for this annual tradition. We will present recognitions in each City Council District, for 100% LED light displays and Miss Anaheim Beautiful's Choice, along with a number of other categories. Our goal is to get neighbors to work together to let Anaheim shine!

Displays will be evaluated on their own merit, time & effort, creativity, planning, theme execution and celebration of the season. This year we are taking the emphasis off competition and focusing on spreading brightness across our City.

Introducing our "Gold Star" Award Winning Properties

Over the years, we have seen some incredible holiday displays from residents who continue to go above and beyond. Their creativity and desire to add new aspects to displays is unparalleled. This year, in an effort to encourage more participation, we will not be recognizing past winners. We do hope that all of our amazing past awardees will send in their information to be put on our holiday map as a GOLD STAR location. This way everyone will have the chance to once again enjoy these incredible displays. If you are a past winner, please submit the information below ASAP to get on the map.

ACCEPTING ENTRIES DECEMBER 1st - 13th, 2021 - BEFORE 5:00PM

Entry must include:

Property Owner's Name, Address, Phone Number and Email.

All entries must submit a photo or video (especially if it includes animation) that highlights your entire property.

Make sure to mention if your display is 100% LED.

EMAIL TO: contact@anaheimbeautiful.org

Additional Information:

Displays must be kept on from dusk - 10 pm from nomination date to Jan. 1, 2022.

All entrants agree to have their street address and zip code included on the City map which will be made available to the general public and on social media.

Everyone will receive a confirmation email within 48 hours. If you don't receive a confirmation, please follow up with us.
